

THE 'VIEW'

Our View, Our Voice

Goodbye Graduates: Congratulations Class of 2013!

Some Final words from Fellow Graduate Kevin Noguera

I cannot believe how quickly our journey through high school has come to an end. It seems like only yesterday we transitioned from middle school to high school.

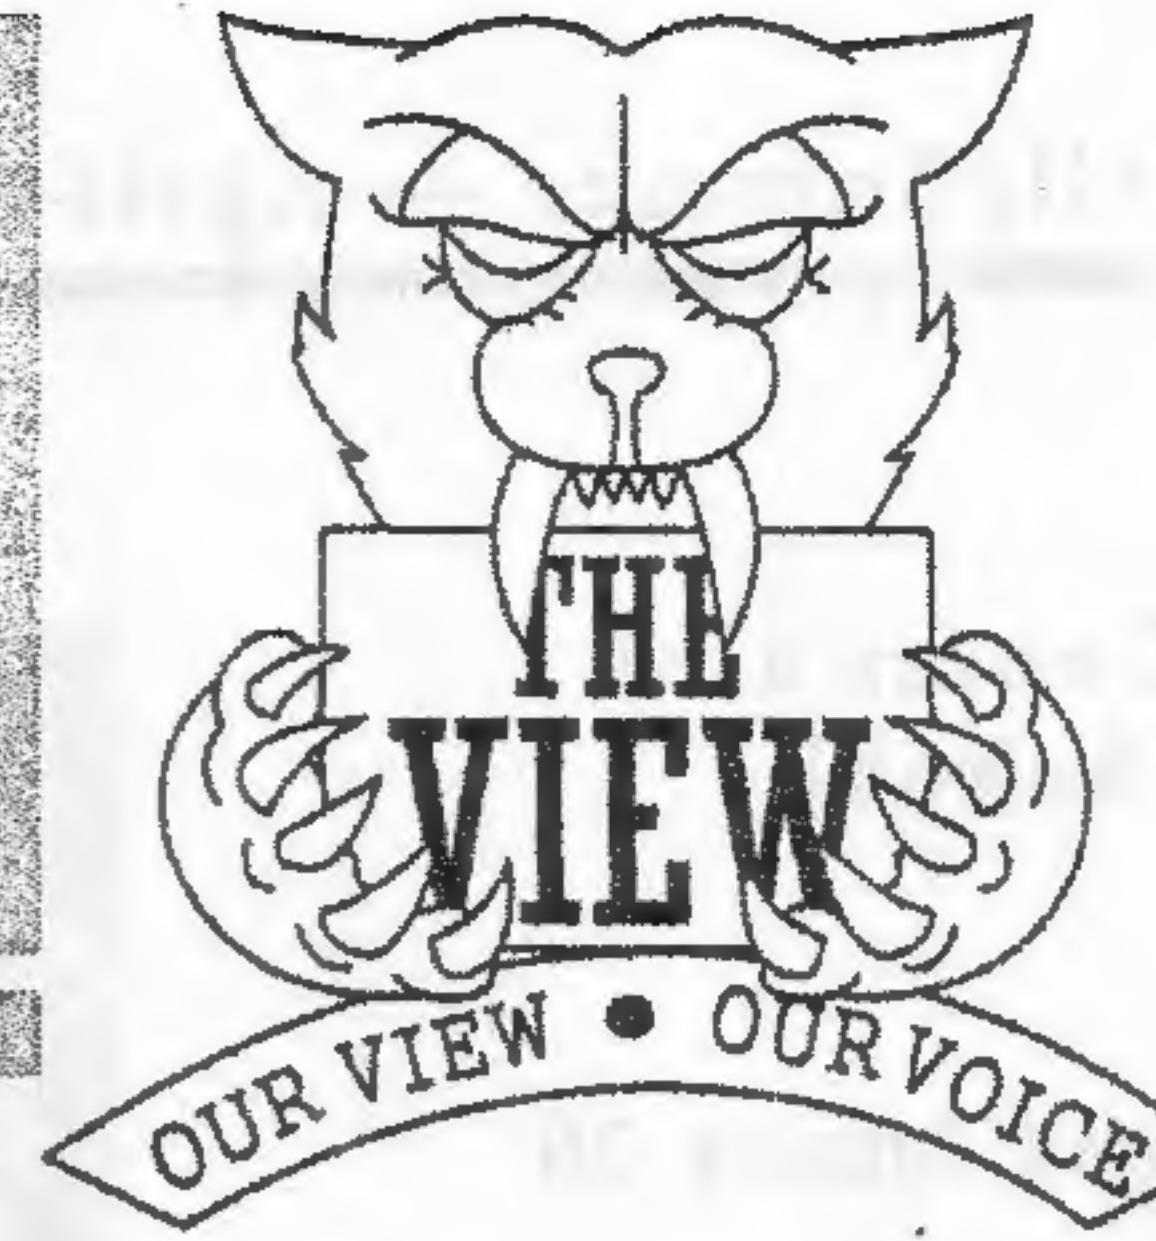

The last four years have been full of challenges and obstacles. However, our teachers have guided us down the right path and now we have succeeded. We can now say that we are ready to take on more challenges in order to obtain more success.

Due to the hard and dedicated work that we, along with our teachers, have committed to, we are here today. We are ready to build our futures and ready to become the people we were meant to be.

A key to success is to always work hard and put your heart and mind into anything you do. Never do anything because you have to, always do it with love and passion.

Sometimes we simply conform, without taking any risks, forgetting that the time we lose, never comes back to us. Don't let time slip away! From now on continue to dream and dream big and achieve more. Keep up all the great work with all your future endeavors, stay focused and good luck!

To all returning students, get involved and make a difference, join The 'View' and have your voice heard. Enjoy your summer everyone and stay safe!

Editors' Note

Westview! The end has come to the memory filled 2012-2013 school year. We have many things to celebrate, from sports achievements to Graduation. We even dealt with a challenging strike situation, however, we were still able to make this year unforgettable with assemblies, pep-rallies, fund-raisers and school dances. The Semi-Formal, Prom and 'Athletic banquet were treasured nights that added to the overall school experience. As you all know, this was the first official year for 'The View' newspaper and we would like to thank you for all your support and hope you continue to support us next year. Don't forget it is important that we have our views heard. Get involved and join The View in September!

A special thanks goes out to Ms. Kyriakidou for guiding and motivating us through the school year! We would also like to thank all the staff and the administration for their ongoing support. We send a special shout to this year's graduates! We would like to congratulate you and wish you all the best for the years to come! For returning wildcats we hope to see you all next year for the 2013-2014 school year and hope everyone has a fun and safe summer! See you guys next year!!
